

# Calumet Park School District 132

## Request For Proposals

### ERATE for 2008-2009

Calumet Park School District 132 filed the Form 470 December 3, 2007 for Telecommunications, Internet Access, Internal Connections, and Basic Maintenance.

Calumet Park is seeking comprehensive technology solutions that are cost effective and manageable for a three building district with approximately 1200 students and 130 employees. Click on the link: [www.sd132.org](http://www.sd132.org) to look at district and building data. The technology solutions could include in-house solutions and/or out-sourcing of services.

All proposals must clearly itemize all equipment and services following the requirements for filing the ERATE Form 471, specifically attachment 21.

All requests are contingent upon receiving ERATE funding. If ERATE funding is denied for a specific item, the district may not complete that portion of the project. Calumet Park School District 132 files separate Form 471's for each project.

These are Proposed ERATE projects that will not be ordered until after July 1, 2008 if ERATE funding is provided.

Any contractor who is not on the ERATE Providers List will not be eligible to submit a proposal.
